Alles zum Standort

Costa de la Calma is peace and beauty in a natural coastal landscape between Santa Ponça and Peguera, just 30 minutes from Palma, the capital of the Balearic Islands. The main coastal enclave is Cala Blanca beach, a small cove in an open and rocky environment that is a favorite spot for many due to its pleasant sea breeze, rough waves and the transparency of the water, which naturally invites you to take a spontaneous dip and then relax in the sun. If you are lucky, you will discover one of the "jewels" of Calvià in this area. Ideal for enjoying a sunset with a refreshing summer red wine. A privileged environment combined with the pleasure of the tourist activities typical of the Calvian coast. Costa de la Calma is peace and beauty in a natural environment.
