Alles zum Standort

Palma, the capital of the island, is also the largest city in Mallorca. It offers a large number of sights and is worth a visit at any time of year. To the east is the port of Portixol, which is not far from the Nou Llevant development area. This is also where the city beach "Platja de Can Pere Antoni" begins, a long sandy beach with a view of the cathedral. This imposing Gothic building with its large rose window and wrought-iron canopy by Gaudí is the city's landmark and tourist magnet. From here, you can walk into the winding old town with its numerous cafés and restaurants. The harbor promenade "Paseo Marítimo", on the other hand, invites you to take a stroll. It is lined with restaurants, boutiques and hotels. To the west of the city is the chic, renovated harbor district of Porto Pi. Here you will find an abundance of waterfront bars and fish restaurants along the promenade, the Palma Casino and the well-known Centro Porto Pi shopping center.
