Ein erster Eindruck

Gorgeous apartment in exclusive residence under construction, overlooking Lake Como offering unparalleled breathtaking views. The apartment is totally lake-facing, both the bedrooms and the living room. Entering leads to a small hallway, where on the right we find the bathroom, while on the left there is access to the bedroom. Continuing, you reach the living area with a sofa bed and an open kitchen richly equipped with appliances with a peninsula. The apartment has a large terrace accessible from both the bedroom and the living room, thus illuminating the whole apartment. Private parking space about 150 meters away, accessible by several stairs. A magnificent panoramic communal infinity pool and an equipped solarium with stupendous lake views complete the amenities. Low running costs thanks to an efficient plant engineering, such as photovoltaic and solar thermal, allowing to reach an A4 energy class. The apartment is also suitable as a pure investment for bed and breakfast use.

Alles zum Standort

Nesso is a small and picturesque village on the Como shore of Lake Como, consists of about 1,184 inhabitants and is located 300 meters above sea level, reached by the ancient Strada Regia or by boat. Nesso rises exactly on the point of union between the two streams Tud and Nosè, from whose fusion they create the homonymous and famous waterfall that makes this place incredible, namely the Orrido di Nesso. This spectacular natural gorge, born from the deep fracture in the rock, explodes into a waterfall with a drop of over 200 meters that divides the small village into two parts. The lake and the location provide a meeting point and attraction for water sports such as boating, sailing and kitesurfing.
