Ein erster Eindruck

These TOP modern and luxurious holiday homes are located in the well-known Abama Resort. A property that meets the highest standard. In total, only 23 units of "Villas de Tennis" are being built, so it is really a limited number of these unique properties. The villas offer different distributions, some are planned with 2 floors and some are all on one floor, each with 3 bedrooms. Each of these fantastic holiday homes will have a beautiful, easy-to-maintain garden and a nice pool area. Almost from everywhere a breathtaking panoramic view of the Atlantic Ocean and the resort can be enjoyed. These unique luxury properties are part of a holiday complex and for this reason they can be rented out through the hotel management very easily and without any effort for the owner. The "Villas de Tennis" will be sold completely furnished and equipped down to the last detail (including decoration). A dream property in a dream location!
