Ein erster Eindruck

Here we present you a modern apartment on the last floor with large terraces and great views of the Merano mountains. The apartment in mint condition is located, barrier-free accessible, on the fourth and last floor and consists of an entrance area, dining area, an open kitchen-living room, a master bedroom with dressing room and bathroom en-suite, a children's bedroom, daytime toilet with shower and a practical storage room. The south-west facing partly covered terraces are divided into two areas and are connected by a passageway, both offer a wonderful view of the surrounding mountains. The net living space is 94 m² and would therefore be designed for 3 bedrooms, if necessary, an additional bedroom can be realized. Large window areas provide bright and light-flooded rooms. In addition to the modern heating technology by means of district heating and underfloor heating, the apartment has a central ventilation system. The apartment is handed over with very high-quality built-in furniture and a very well equipped kitchen. In addition to the private cellar in the basement, there is also a single garage and a car parking space on the first floor. The apartment is not conventionated and can therefore be freely inhabited, used and rented. It is also ideal as a vacation apartment.
