This flat is located in the heart of Budapest. It's a government and business area with many popular office buildings. In this part of the town Deák Ferenc Square can be found, which is the largest public transport hub of the city, where three metro lines meet (M1, M2, M3). Rising above the buildings, the Budapest Eye ferris wheel overlooks the city, including some of the most famous attractions of the area, such as the Parliament and St. Stephen's Basilica. This flat is in the financial district, close to Szabadság square and parliament, on the 4th-floor. This is a 3-room apartment with generous spaces, in a well-maintained condominium with an elevator. The windows of the living room is facing the street. The apartment has 2 balconies, which is a rarity in the city center. Favorable option for those who prefer a central location. The price includes the furniture.
