Objektnummer: 1932 - 07181 Palmanova – Südwest

Ein erster Eindruck

NESEA I The apartment offers a comfortable home with a living space of approx. 79 m² and a covered terrace of approx. 19 m². It comprises 2 bedrooms, 2 bathrooms and an inviting living and dining room. The double-glazed windows ensure that you can relax undisturbed by outside noise. Further features include porcelain stoneware tiles, fitted wardrobes, shutters, modern kitchen appliances, a parking space and a separate storage room. There is the option to purchase additional or alternative fittings at an additional cost. The innovative and energy-efficient complex meets the latest standards and offers amenities such as a saltwater pool, a children's pool and a fitness room. The carefully designed communal garden invites you to sunbathe and relax. A major advantage is the barrier-free accessibility, which extends from the communal areas to the apartments. New build properties in Mallorca are a valuable investment in your future.

Objektnummer: 1932 - 07181 Palmanova – Südwest

Alles zum Standort

Within walking distance of the beach, a wide selection of restaurants and stores, as well as sports and leisure facilities, this modern new-build project is in a prime location in Palmanova. Palmanova is located right in the heart of the elegant southwest of Mallorca on a coastal strip that connects two bays with a fine, white sandy beach. The promenade offers picturesque views over the bay of Palma, as well as an excellent selection of international restaurants. The marina of Puerto Portals, which is on a par with Monte Carlo and Saint-Tropez in international comparison and offers all water sports facilities, is located in the neighboring village, only 2 minutes away by car. The golf courses of Bendinat and Santa Ponsa can be reached in less than 10 minutes. All daily necessities are available in Palmanova all year round, directly in the village. With four large supermarkets, international medical centers and all kinds of stores and services, as well as schools and kindergartens, Palmanova offers an excellent infrastructure. Thanks to the good transport links, Palma can be reached from here in 10 minutes.

Objektnummer: 1932 - 07181 Palmanova – Südwest

Sonstige Angaben
