Ein erster Eindruck

Set in a magnificent natural environment between Finestrat and Benidorm, Breeze homes are an excellent option for buying property on the Costa Blanca. This region of Alicante offers a superb quality of life: sun, beaches, nature, gastronomy, culture, excellent communications, and good infrastructure.

Breeze, the latest residential development on the Costa Blanca, is located in a quiet, well-connected area close to Benidorm, beaches, and the Puig Campana golf course. El Balcon de Finestrat is just a few kilometers from essential services like La Marina shopping center, restaurants, supermarkets, schools, chemists, and banks.

The development includes 2- and 3-bedroom apartments, as well as 3-bedroom townhouses, semi-detached houses, and villas. Residents will enjoy a peaceful setting with spectacular views of Benidorm's skyline, while being close to the town, beaches, and a golf course.

The Costa Blanca enjoys a spring-like Mediterranean climate year-round, with an average temperature of 19°C, allowing you to enjoy outdoor activities at any time. It is the ideal destination for sports and outdoor activities 365 days a year: sailing, fishing, diving, surfing, hiking, cycling through the Serra Gelada natural park, and golfing on any of the province's 21 courses.

Prices for Breeze homes are:

- 2-bed apartments from €274,000
- 3-bed apartments from €294,000
- 3-bed townhouses from €387,000
- 3-bed semi-detached houses from €430,000
- 3-bed villas from €545,000

Prices are subject to change and availability.
