## A first impression

Here you can expect a beautiful rectangular plot in a sought-after location of Meerbusch-Büderich. Currently, there is a historic house on a property which has been inhabited a short time ago. The original house is very historic and was built about 300 years ago massive without basement. The 1.5-storey two-family house is bound from the inside and has a living space of about 175m<sup>2</sup>. There are no construction documents to the object. For this reason the object is marketed as a plot. Furthermore, there are no building encumbrances. A verbal commitment, regarding the construction of a semi-detached house is already available.
