## A first impression

This exclusive 1-room apartment is located on the top floor of a historic stucco building from the Art Nouveau period in the green and popular Berlin district of Wilhelmsruh. The apartment was newly created as part of an elaborate attic conversion and offers a stylish living concept on approx. 40 m² of living space. It is ready to move into and represents an extremely attractive investment opportunity due to its furnishings and location. As neither the rent index nor the rent brake apply to new rentals, the rent can be set freely - a clear advantage for investors. Upon entering the apartment, you are greeted by an inviting hallway from which the large living room and bedroom unfold harmoniously. The floor is laid with high-quality solid oak parquet in a classic single-strip herringbone pattern, giving the room an elegant touch. The spacious old-style room has a particularly open and bright feel thanks to the high ceilings. A bright kitchen niche blends discreetly into the living concept, while the west-facing balcony offers additional living comfort and a beautiful view. The furnishings combine the charm of historical style elements with modern technology. Old Berlin moldings, an efficient gas boiler and Velux double-glazed top-hung windows with electric external blinds ensure a pleasant living climate and stylish details. The building was constructed in 1910 and has been in the family for over a century. Together with the neighboring house, it forms a harmonious architectural ensemble from the Art Nouveau period. The carefully restored façade and original plasterwork reflect the historic character of the house. The inner courtyard is decorated with granite paving, brick edging and an elaborately restored Art Nouveau fence, rounding off the harmonious overall picture. ## All about the location

Wilhelmsruh, a charming district in the popular residential district of Pankow, impresses with its excellent public transport connections and its idyllic, almost small-town atmosphere. Originally a villa suburb of Berlin, Wilhelmsruh has retained its historic charm despite the many changes of the last hundred years. The mostly two-storey buildings near the old village center reinforce this small-town feel. The 1-bedroom apartment is only about a 7-minute walk from Wilhelmsruh S-Bahn station, from where the S1 to Wannsee and the S26 to Teltow run. From here, you can reach the Friedrichstraße S+U station in just 17 minutes and the Potsdamer Platz S+U station in around 20 minutes. Other transportation hubs such as the Reinickendorf S-Bahn station and the Residenzstraße U-Bahn station are also nearby. Bus routes connect Wilhelmsruh with the Pankow S-Bahn station and the Residenzstraße and Kurt-Schumacher-Platz U-Bahn stations, among others. The surrounding area offers plenty of opportunities for recreation: Lake Wilhelmsruher See, the Garibaldi pond, Schönholzer Heide and Berlin's green belt are all within walking distance and are perfect for relaxing walks. A little further away, the Niederschönhausen Palace Park and the Bürgerpark offer additional recreational opportunities. The infrastructure in Wilhelmsruh is excellent. There are kindergartens, elementary school, numerous shopping facilities as well as a medical and care center and various medical practices in the immediate vicinity. Thanks to the convenient public transport connections, you can quickly reach both the countryside and Berlin city center. The Wilhelmsruh S-Bahn station is around 500 meters away and Friedrichstraße can be reached in around 17 minutes. Bus connections are also within walking distance. Wilhelmsruh thus offers a perfect mix of quiet living and quick access to Berlin's lively city center - a truly liveable district of Berlin-Pankow.
