A first impression

On the 2nd floor of a residence located in the heart of Limpertsberg, Von Poll Real Estate Luxembourg offers you this apartment offering an area of 78m^2 according to the cadastre. The apartment located at the back of the building benefits from an unobstructed and calm view. The apartment, without vis-à-vis, very bright with its large windows and its south-east exposure, consists of an entrance hall with built-in wardrobes which leads to the living / dining room, the fully equipped kitchen (possibility of opening onto the living room), the 2 bedrooms, a walk-in shower room with WC and a separate WC. The lodge terrace is accessible from the master bedroom. The apartment has benefited from renovations in recent years (frame in 2021, sanitary facilities in 2018) On the technical side, it has parquet and tiled floors, double glazed windows with shutters. A large cellar (17m^2) is part of the sale. The building has a bike room and no work is to be expected (roof being repaired, boiler recently replaced, facade painting redone). A closed garage box with electric door and electrical outlet is available as an option. Its brightness, calm, exposure, layout and location close to all amenities (shops, restaurants, cafes, schools, park, transport, etc.) are assets among others that make this apartment an opportunity to input !
