A first impression

Exclusive double ground floor apartment on possibly the most beautiful stretch of Jacob van Lennepkade! The 19th-century (canal) building was fully renovated in 2016, including a new foundation. From the ground floor to the roof, everything has been renewed and equipped with all imaginable conveniences and comforts, with a focus on quality and sustainability. The apartment itself is very luxurious, featuring an oak herringbone parquet floor with underfloor heating, solid panel doors, steel interior doors, beautiful spotlights, high skirting boards, and beautiful window and door fittings. The property boasts a wonderfully bright and spacious living room with a luxurious open kitchen and sitting area with a cozy gas fireplace, three bedrooms, two bathrooms, and a garden.

Details of amenities

Private entrance to the property on the ground floor, with a steel-framed vestibule.

Upon entering, the height of the space immediately catches the eye. It is a generous 3.20 meters high. The custom-made kitchen is located at the front with a convenient widened windowsill for seating. The kitchen is executed in a light color scheme with a large sink island with composite marble-look countertop and Quooker. Beautiful hob with 3 burners, built-in dishwasher, refrigerator, freezer, and a self-cleaning oven. Custom-made cabinets for all your kitchen supplies and appliances.

Next to the kitchen, the current owners have created a cozy lounge area with built-in benches and cushions. The sitting area is spacious and also features an attractive gas fireplace (Faber) that can be operated with a remote control. From the living room, there are French doors leading to the balcony and the paved garden with a charming canopy at the back.

Through a steel portal with glass, you can access the basement (height 2.70 meters). Here, there are three bedrooms. The master bedroom is located at the rear and has access to the luxurious bathroom. The atmospheric bathroom is finished with chic beige wall and floor tiles, a double bathtub, a double rain shower, a beautiful vanity unit with concrete sink and built-in faucets, a design radiator, and playful niches. The other two bedrooms are located at the front. Additionally, there is a second bathroom with a rain shower and a vanity unit. Furthermore, there is a walk-in closet (also usable as a 4th bedroom), a second toilet, and a separate space for the washing machine and dryer.
