A first impression

Fantastic double upper house of approximately 100 m² with a sunny roof terrace in the popular De Baarsjes neighborhood! The spacious and bright apartment is located on the third and fourth floors. It was renovated in 2018, during which the living room with open kitchen and the adjacent roof terrace with generous ridge height and visible beams on the top floor were added. On the third floor, there are 3 bedrooms and an extra room furnished with, among other things, a washing machine connection and boiler room. Both in 2008 and 2018, thorough renovations took place, including roof insulation and double glazing installation.

Details of amenities

LAYOUT

The entrance is via the common staircase on the 2nd floor, cloakroom. Stairs lead up to a spacious hall with a glass wall. On this floor, there are 3 bedrooms, a large laundry room, and the bathroom with toilet, shower, and sink. The master bedroom, with a deep wardrobe, is located at the rear and has 2 French doors to the balcony, which is also accessible via the laundry room, where the central heating boiler is located. The other 2 bedrooms are located at the front of the house with an adjacent stair cupboard.

On the 4th floor is the beautiful living room with an adjoining roof terrace and cozy open kitchen. The space is spectacularly light and gives an immediate summer feeling. The high ceilings, with Velux windows, make the space even larger, and the roof terrace acts as an extension of the living room.
