All about the location

Son Veri Nou is the younger part of Son Veri. It is part of the so-called "urbanizations" and is located between Son Veri and Cala Blava. It is particularly popular with residents and is used very little by tourists. A supermarket and a few restaurants and cafés are available all year round. The coastal promenade is ideal for long walks or bike rides all the way to Palma. There are two sandy beaches in the immediate vicinity, Cala Blava, which is located between the district of the same name and Son Veri Nou, and Cala Es Caló at Club Nautico. The well-known Playa de Palma is only 2.5 km away, the airport is 19 km away and the capital Palma is around 24 km away.
