A first impression

The modern newly built terraced house in Esporles with its own garden and communal pool has a plot size of approx. 129 square meters. It is divided over 2 floors. With a living area of approx. 150 square meters, this house offers enough space for a family. The living and dining area are located on the first floor. The fitted kitchen is equipped with an oven, induction hob and extractor fan. There is also a guest bathroom. The living room leads directly into the garden, which invites you to relax and enjoy. It also offers direct access to the communal pool. There are three bedrooms and two bathrooms on the upper floor, one of which has its own bathroom. There is also a terrace that offers wonderful views. The house also has a private parking space with a pre-installation for electric cars to combine modern comfort and environmental awareness. The development will be completed in September 2025.
