A first impression

This stylish village house from 1890 is located in the idyllic village of Pina, which belongs to the municipality of Algaida. Its privileged location offers maximum tranquillity. The historic, three-storey house impresses with antique details such as arches, marble decorations and stone facades, which give it a unique character. On the first floor, you are welcomed by a spacious entrance hall, which leads through a beautiful antique marble arch into the spacious living room and kitchen. From there you have direct access to the inner courtyard with a terrace and swimming pool. There is also a guest WC on this level. On the second floor there are three large bedrooms, two of which share a spacious bathroom. The master suite has its own bathroom, dressing room and bathtub. On the second floor there is a large attic that can be individually converted. And would then offer 2 further bedrooms. A further bathroom is already available. The house also has a terrace with breathtaking views of the church, the village and the surrounding countryside. Another advantage is the garage, which is located right next to the entrance area. Equipped with the latest technology, including underfloor heating on the first floor and in the bathrooms, central air conditioning for heating and cooling and a photovoltaic system with 570 watts (12 panels), the house guarantees maximum efficiency with minimum consumption.
