All about the location

Palma, the capital of the island, is also the largest city in Mallorca. It offers a large number of sensations and is worth a visit every year. To the east is the port of Portixol, which is located next to the Nou Llevant development area. This is also where the "Platja de Can Pere Antoni" begins, a long sandy beach with a view of the cathedral. This imposing Gothic building with its large cellar and Gaudi's half-timbered canopy is the city's main tourist attraction. From here you can reach the lively old town with its many cafés and restaurants. The beach promenade "Paseo Marítimo" is located in the immediate vicinity of the beach. Here you will find restaurants, boutiques and hotels. To the west of the city is the clean, sanitary harbor of Porto Pi. Here you will find a number of harbour bars and fish restaurants on the promenade, the Palma Casino and the well-known Centro Porto Pi shopping center.
