A first impression

These modern houses with gardens and private swimming pools are being built in the center of Puig de Ros. A total of 16 semi-detached houses with an interior living space of around 135 square meters are being built. The plots are between 320 and 370 square meters in size. Each house has 4 bedrooms and 3 bathrooms. The master bedroom has an en-suite bathroom and a dressing room. The saltwater swimming pool and terrace are located in the 200 square meter garden. Each house has two parking spaces. The houses have different orientations with plenty of sun, providing natural light throughout the day. The roof terrace is accessible and offers views of the bay of Palma. Each house has its own 500-liter drinking water tank for emergencies. Various kitchen layouts are available depending on taste and requirements. There are also several interior layout options to choose from. Prices vary depending on orientation and size. The expected date for handing over the keys is mid-2025.
