A first impression

This large, historic townhouse is located just a few minutes walk from the market square of Lluçmajor. The property is accessible from two sides. On one side is the entrance to the house, on the other side is the large garage, to which is connected a spacious room for family celebrations. Between the two parts of the building is the green spacious garden. A pool could be built here. The main house consists of three floors. On the first floor there is the feudal entrance area, where the historical staircase is built in. In addition, here are two rooms, the living room with fireplace, the modern equipped kitchen and a pantry. Arriving on the upper floor, one finds oneself in a beautiful hallway area. From here, the three bedrooms and bathrooms leave. Partially, these are integrated into the bedrooms. From the master bedroom you can access the terrace. This leads to an outbuilding with another bedroom as well as to the third floor. Here is another room for festivities, equipped with a pool table and plenty of seating. If you are looking for a historic, well-preserved townhouse built with the best materials in a historically grown city, you will find it exactly here.
