A first impression

New three-room apartment on the first floor of building completely renovated in 2022/23. The apartment placed on the first floor with elevator, opens to a large and bright living area with open kitchen. Of great visual effect is the contrast of the old wooden beams and the original historic wall, with the modern colors and materials used for the renovation. The living area is completed by a bathroom complete with shower and space for a washing machine. Two large bedrooms with private bathrooms, one with shower and one with bathtub, respectively, as well as a third room that can be used as a study/office or guest room.

All about the location

The apartment is located on the edge of the restricted traffic zone, in the historic heart of Vicenza, and is the best way to experience the comforts of downtown: as you leave the house, you can already enjoy all the pleasures of the sparkling city life, starting in the morning with a good cappuccino at the bar, and ending the evening sipping fine wines in the city's trendiest clubs. The Ederle and Del Din Barracks are both less than 10 minutes away by car, or a leisurely bike ride as they are just over 2 miles away.
