All about the location

Villa "Agli Archi" inside a dead-end street, inside Viale Trento, in a residential area substantially devoid of traffic and for this reason very quiet. The Bacchiglione river is at the end of the road, making the landscape particularly pleasant and relaxing to enjoy also from the Villa's views. The city centre can be reached either on foot or by bicycle, thanks to the safe cycle-pedestrian path that in a few hundred metres arrives at Porta Santa Croce, the first access to the historical walls of Vicenza, and at Corso Fogazzaro, the beginning of the pedestrian area of the historical centre. In the immediate vicinity, supermarkets, schools of all levels, and all the main services of the city of Vicenza. The area has always been particularly safe thanks to the relative proximity of the Police Headquarters of the city. Similarly, this solution is also very suitable for those who have to move often for work, being a few minutes from the beginning of the ring road West of the city that leads quickly to the exit of Vicenza Ovest and its industrial area.
