All about the location

Location is one of the strengths of this apartment. Located in the city center, it provides easy access to stores, restaurants, cafes and all essential services. At the same time, the tranquility of the river view provides the perfect balance between the vibrancy of downtown and the serenity of a private overlook. For those working at the U.S. bases of Caserma Ederle and Del Din, the proximity to major links makes this solution even more attractive. Del Din Barracks can be reached in less than 10 minutes, even by bicycle, while Ederle Barracks is 12 minutes away. The apartment, which is located just outside the ZTL, is particularly attractive for those who do not want to take off their military uniform when they return home, but at the same time love the historic center.
