A first impression

Nice and well-kept apartment in an elegant 80s building in the heart of the city. The renovated and in perfect condition unit has a large living area where they find plenty of space for a comfortable relaxation area and a large and bright dining room. The eat-in kitchen, connected to the living room by an elegant sliding door, is finely furnished and has a direct view on the corner terrace on both sides. The view is wonderful from every point of the dining room, the kitchen, and from the terrace: the hill and the homonymous Sanctuary of Monte Berico are right in front. At the entrance, currently used as a study, there is a compartment potentially used as a third bedroom. The separate sleeping area has two large elegant and white marble bathrooms, a single bedroom and a very spacious master bedroom. Complete the sleeping area spaces, a comfortable laundry room.
