## A first impression

Villa in a gated residential development with private security, clubhouse, spa, gym and Mediterranean gardens as well as incredible panoramic sea views. The total area is 269,000 m<sup>2</sup> and in its initial phase there are 49 villas in 5 different style configurations. The different types of homes on offer, of modern and contemporary design, aim to integrate architecture with nature. They will have indigenous Mediterranean gardens and private swimming pool. In addition, easy access to Marbella and Estepona make this one of the most exciting residential projects in many years. 4 bedrooms and 4 bathrooms distributed over two levels. The ground floor contains a large open plan living area including a fully fitted kitchen, lounge and dining area as well as the master bedroom with en suite bathroom and another bathroom. master bedroom with bathroom en suite and another guest bathroom. The first floor has 3 bedrooms and 2 bathrooms with the option to create the master suite upstairs. The most outstanding features include independent underfloor heating by water, Cortizo underfloor windows with Cortizo floor-to-ceiling windows (integrating the interior communal areas with the terraces) or pre-installation of domotic systems. The plot includes a 30m<sup>2</sup> private parking area set within landscaped Mediterranean gardens, culminating the Mediterranean design gardens, culminating in an impressive private swimming pool with a Sukabumi coloured porcelain.

## All about the location

The municipality of Benahavís covers 145 km<sup>2</sup> of spectacular mountains, forests and countryside that are home to some of the world's most expensive villas as well as the luxury enclaves of La Zagaleta and El Madroñal. Nature lovers will feel right at home here, with nature trails to explore or a large reservoir that is home to many species of wildlife. A perfect place to sit and watch the world go by. There are few places on the Costa del Sol that enjoy such uninterrupted views of the surrounding mountains, forests and rivers.
