A first impression

For sale rustic plot with basic project presented to build a modern house with swimming pool in a good area near Artá. Located just 2 kilometres from Artá, in a good area and with views to the Mont Ferrutx, the village and the San Salvador Sanctuary. The project foresees the construction of a house of 194 square metres, in only one floor. Fantastic swimming pool and terraces of almost 60 square metres. On entering we will find a beautiful open space of about 70 square metres with kitchen, dining room and living room. It has 3 bedrooms, 3 bathrooms, 2 of them en suite, pantry and laundry room. All the rooms are connected to the exterior by large windows that provide lots of natural light and fabulous views of the surroundings. Electricity connection is nearby. There is a licence already applied for to drill its own well. The location of the house is projected in the highest area of the property and with the best orientation, to take advantage of the sun and from where you can appreciate unbeatable views.
