A first impression

For sale this nice finca with own well and accepted project for the imminent construction of a house with pool in the outskirts of Manacor. Located in a very quiet and mostly agricultural area, overlooking the city and the hills, Ermita de Santa Lluçia, Puig de Llodrà and reaching to see in the distance the Sanctuary of Sant Salvador in Felanitx. The project foresees a beautiful house on one floor of 237 square metres with a swimming pool of 7 x 5 metres. It will have 3 bedrooms, 1 study, 3 bathrooms, kitchen, living room of 49 square metres, laundry room and porch. Walls lined with stone, gabled roofs with wooden beams. A finca situated in an elevated area, in the countryside and at the same time very close to the town of Manacor. At the moment the finca has its own water well, an old wood oven and some young fruit trees. The property is partially fenced. With easy access to connection to mains electricity. Please contact us to arrange a viewing of the finca to appreciate the surroundings and visualise the project.
