## A first impression

Here we present a very special property in one of the best locations in Merano. The villa was built in 1897 and the apartment itself was extensively modernized in 2019. The refurbished original parquet floors, the high rooms and elegant doors give the apartment a special flair. The sunny terrace with a view of the greenery and the surrounding mountains invites you to linger and relax. With a generous net living area of approx. 202 m<sup>2</sup> on one level, the apartment has a total of 6 rooms, including 3 spacious bedrooms and an attractive entrance area. The villa is surrounded by a communal courtyard, where the garages are also located. The apartment has its own garage, a private hobby room of approx. 15 m<sup>2</sup>, a deep cellar, a wood store and various communal rooms. An approx. 650 m<sup>2</sup> plot in the park can be purchased on request. The elegant ambience and prime location in Merano make this property a real gem on the real estate market.
