A first impression

This property represents the ideal investment because it enjoys a rare versatility and can be purchased by people with a variety of housing needs. In fact, in addition to the excellent location in the heart of Gries in Bolzano, it has an internal conformation that makes it attractive for large families, for people who very often have guests or have daily servants/assistance and finally for those who wish to live in the property while simultaneously renting a part of it. All this is possible because the property is divided into two separate and adjacent units: a master unit with a majestic living room with large windows and overlooking the beautiful garden, a master bedroom with en-suite bathroom, a single bedroom, a service bathroom; the other, equally impactful but smaller, consisting of a beautiful living room with a window overlooking the garden, service bathroom, a master bedroom with en-suite bathroom. Both units enjoy unobstructed views and a wonderful garden excellently exposed and all for living. The property was completely renovated in 2022/2023 and is in an excellent state of preservation to date. The property is completed with a double garage with mezzanine and an additional single garage.
