A first impression

This beautiful real estate unit is located via Conciapelli in Bolzano. And it is located on the second floor of a historic building that dates back to the early 1900s. The property consists of: a comfortable entrance hall, a generous living room with balcony, a spacious eat-in kitchen, two double bedrooms and a master bathroom. The property is completed by a cellar space. In addition, for the future buyer there would be the possibility of leasing a garage a few meters from the property. The property unit does not have an elevator. Also excellent as an investment.
