A first impression

EXCLUSIVELY FOR SALE In one of Bolzano's most dynamic and serviced neighborhoods, in Gries, on Via Cesare Battisti, is this spacious four-room apartment of 90 sq m net. Renovated in 2024, the property is ready to be lived in or put up for income. The apartment is located on the second floor of a building with an elevator and consists of an entrance hall, four rooms, a furnished kitchen, two modern bathrooms, a storage room, and a cellar. Thanks to the excellent east-southwest exposure, natural light fills the interior until sunset. The two balconies, connected to French doors, create a pleasant continuity between indoors and outdoors. The location of the property is ideal: situated in a residential neighborhood with numerous amenities available, including schools, stores and public transportation, making it perfect for both families and those seeking a secure investment. Inside the condominium courtyard there is communal parking for bicycles and a parking space to stay a maximum of two hours for various needs. Only 5 minutes away is a multi-story municipal garage, with the possibility of renting parking spaces at 80 euros per month. A single garage available for extra purchase is 100 meters away. The apartment is immediately available, a perfect solution for those looking for modern housing in a strategic location or for those who wish to rent it to students, given its proximity to the city center.
