A first impression

In the heart of the Gries district of Bolzano, in the prestigious Guntzschnastraße, we are offering an exclusive, two-storey penthouse with a unique terrace for sale. The apartment is located in a small and very well-kept residential complex and is on the 3rd and 4th floor, which can be reached by elevator. Both floors have their own entrance - one on each floor - which provides a lot of freedom in daily management. The penthouse was renovated between 2020 and 2023 and is now in excellent condition and ready for a new family to move in. Upon entering the third floor, you are greeted by an entrance area that leads into a cozy living area. Thanks to its clever layout, this offers an additional, slightly separate room that can be used as an office or relaxation area. The living area is connected to a habitable loggia that faces south-west. This first living area of the penthouse is complemented by a practical storage room and a bathroom with window and shower. The sleeping area is completely separate and consists of two single bedrooms, a double bedroom and a further bathroom with window and bathtub. All rooms have access to the cozy balconies. A well-kept staircase decorated with wooden elements leads to the fourth floor, where the charm of the property comes into its own. On this upper floor, there is another spacious living area with an open kitchen and generous dining table. Thanks to the glazed sliding windows, this room is flooded with light throughout the day and is directly connected to the charming, approx. 51 m² terrace. This is the ideal place to spend quality time with the family for many months of the year and will be a reason why friends and relatives will never want to leave your home. Particularly noteworthy are the integrated air conditioning, autonomous heating and built-in alarm system, which ensure a high level of comfort. In the basement, in addition to the cellar, there is also a single garage (approx. 17 m²) and another large garage (approx. 43 m²), both equipped with motorized garage doors, which can be purchased separately at a price of 120,000 euros. This living solution is perfect for our most discerning clients from home and abroad who are looking for prestige and quality.
