A first impression

Inserted in the heart of Gries with a stunning view of the vineyards this property represents the ideal purchase for those looking for a modern property, lots of sunshine and experiencing the garden as is rarely possible. In fact, the apartment is located on the ground floor of a small building and was expertly and completely renovated in 2023. The unobstructed view combined with privacy from both the apartment and the garden is a distinguishing feature of this property. A majestic living room with large windows welcomes with great impact those who enter the property. A sought-after master bedroom with en suite bathroom, a single bedroom, and a service bathroom complete the property. In the basement there is a double garage with mezzanine, included in the price.
