A first impression

This prestigious residential complex was built to the highest standard of Casa Clima "A+", which means it will also be rated for energy efficiency. The property is located on the second floor, and consists of: a comfortable entrance hall, a living-dining room "living" room with direct access to the terrace, three double bedrooms, a service bathroom and a windowed master bathroom. The object offers excellent natural light. The real estate unit is equipped with a central underfloor heating and cooling system that is operated independently with convenient individual control of room temperature, offering a special atmosphere of well-being in all rooms. The offer is completed by two parking spaces and a basement included in the price. End of construction December 2025
