## A first impression

The villa is located the 2nd district. The surroundings, such as the Rose Hill, have a rich historical past, which is linked to the bourgeois lifestyle. The neighbourhood is one of the most exclusive, quiet and green areas of Budapest, close to the city centre, and Széll Kalman square. The proximity of international schools and embassies attracts diplomats, foreign families and businessmen. The apartment occupies an entire floor of the villa, providing a very unique atmosphere, spaciousness and elegant privacy. A feeling of luxury living is provided by generous interior design solutions such as high quality finishes, fireplace, high ceilings, views of the surrounding garden, intimate balconies or terrace. This property is ideal not only for families but also for companies. Up to 2 companies can move in together, as the layout of the rooms allows this. The apartment has parking space for 2 cars in the garden. The property is currently unfurnished, but the owner can provide some designer furniture by special arrangement. We would like to rent the apartment for a minimum of 24 months.
