A first impression

With a breathtaking view of the luxury yacht harbour Port Adriano, this ultra-modern luxury villa was completed in 2022. In the basement there are 3 parking spaces, a large fitness/wellness area and a spacious guest flat. From here, you can reach the upper floors via the stairs or by lift. On the ground floor is the imposing main entrance, through which one enters a light-flooded main living area. This contains a large open-plan living/dining area and a high-quality open-plan kitchen. Furthermore, a guest WC can also be found on this level. The large garden terrace with pool area can be reached from the ground floor. The infinity pool has a length of 22 metres. Upstairs are the bedrooms with a spacious master bedroom with dressing room and open fireplace and en suite bathroom. Three further bedrooms, all with en suite bathrooms, adjoin. One floor up is the fantastically large roof terrace, which is equipped with a whirlpool, a summer kitchen, as well as a huge lounge. From all rooms you can enjoy a fantastic view of the sea.
