All about the location

The bay of Cala Fornells is characterised by its typical Mediterranean architecture, which was shaped by the ingenious master builder Don Pedro Otzoup. It was he who created these terraced flats and buildings at the beginning of the 1970s, and they continue to delight a large number of holidaymakers and owners even today, more than forty years after they were built. From almost all the flats you have a fantastic view of the sea, the large bay as far as Santa Ponsa and the Malgrats Islands. Top restaurants round off the Mediterranean lifestyle. Highlights here are the restaurant "La Gritta" in Aldea II with a gigantic panoramic view of the sea and the restaurant "La Gran Tortuga" in first sea line in Aldea I. The beaches of Paguera and the shopping mile with a variety of shops, restaurants and bars, are easily accessible on foot via stairs or by car via a road. The drive to Palma takes about 30 minutes, to the airport you need about 40 minutes.
