All about the location

Port d'Andratx is a charming seaside resort with its own flair due to the authentic fishing port, with its many restaurants, boutiques and stores. Outside, parallel to the promenade, you will find many individual stores, galleries and cafes with outdoor seating, offering an elegant Mediterranean atmosphere. The luxurious marina of the natural bay is a traditional hub of international yachting and has been expanded in recent years from Puerto Portals and Port Adriano in southwest Mallorca, offering all water sports. The nearby Golf d' Andratx course offers some of the most beautiful views of the sea. The surrounding bays, such as Monport, la Mola and Cala Lamp are home to the most exclusive residential areas of the southwest, especially here you will find some of the most luxurious properties in Mallorca, offering unique views over the coast and the sea. If you can call a villa in Mallorca your own, this is one of the best places to live. The beautiful beach club of Port d'Andratx is also accessible by boat and offers crystal clear waters. The western edge of the Tramuntana region rises right on the edge of the valley of Andratx.
