A first impression

This beautiful apartment with a very good floor plan is located on the 2nd floor of a building with only 4 residential units on 4 floors. The building has an elevator, which also provides easy access to the parking space in the underground garage. The apartment is in very good condition, so nothing stands in the way of moving in immediately and it offers plenty of comfort and space. It has four double bedrooms, ideal for large families or those who simply need extra space. There is a full bathroom and a guest WC, which could easily be converted back into a shower room. There is direct access to the utility room off the large eat-in kitchen and the entrance to the living/dining room on the opposite side. The highlight of this apartment is the very large balcony, which stretches across the entire width of the apartment. The view of the greenery has a calming effect and is therefore the ideal place to switch off from the stresses of everyday life. There is also a large swimming pool and a communal room, e.g. for playing table tennis etc. This property combines comfort, space and a very pleasant environment; ideal for anyone looking for quality of life in Paguera!

All about the location

Paguera (Catalan: Peguera) is a very popular vacation resort for German families in the southwest of Mallorca. Just under 4,000 inhabitants live in the touristy seaside resort in the municipality of Calvià. The three fine sandy beaches of Paguera offer first-class conditions for swimming, snorkeling and various water sports. While Playa de Tora and Playa de la Romana are natural sandy beaches, Playa Palmira was created by artificial sand filling in the 1990s together with the beautiful beach promenade, where a diverse selection of restaurants have set up shop. Playa Palmira is also the largest beach in the area and is particularly popular with families with children due to its low swell. The center of Paguera, the Bulevar de Paguera, is the shopping mile in the resort of Paguera. The main shopping street runs parallel to the beaches and is lined with numerous stores and restaurants. And Paguera benefits not least from its easy accessibility: the island's capital Palma de Mallorca and Son Sant Joan airport are only around 30 minutes away by car and the resort has a direct highway connection. Just a stone's throw away is the noble Camp de Mar, which is particularly popular with golfers, as the resort has a challenging golf course.
