Details of amenities

The approved construction project in its raw state comprises a main building and an adjacent barn building, both intended for residential purposes. The main building spans two floors and offers an abundance of rooms for various purposes. On the ground floor, there is a spacious double living room with a separate dining area and a modern kitchen, creating a generous and open sense of space. The ground floor is also equipped with a study, a laundry room, a bathroom, and two loggias.

Upstairs in the main building, there is a generous suite that offers privacy and luxury. It includes a comfortable living room, a private bathroom, and a private loggia. Here, you can retreat and relax while enjoying the views of the surrounding nature. Additionally, there are four more bedrooms, each with its own bathroom. These provide ample space for family members or guests and allow for individual retreats. A dressing room complements the bedrooms, offering sufficient storage space for your clothing and personal belongings.

The adjacent barn building is also spread over two floors and provides additional living space. On the ground floor, there is a cozy living room with a dining area and a fully equipped kitchen. Here, you can spend relaxed evenings with your loved ones and prepare culinary delights. The barn building features a bedroom, a children's room, and a bathroom, all conveniently located on the same level and easily accessible.

Both buildings are connected by a comfortable interior staircase, allowing for easy and pleasant accessibility between the different rooms. The accompanying property provides space for a planned pool area, which can become a central element for outdoor leisure activities and relaxation. Here, you can take a refreshing swim and relax in the sun on warm days. The property offers you the opportunity to incorporate your individual style and preferences, creating a luxurious home that caters to your needs and desires.
