A first impression

Wonderful apartment for sale in the heart of Milan on the high floor. The building was built in 2008, there is daily concierge service and the property of about 60 sqm is in good condition and ready to be lived in. The apartment offers a functional layout with three well-distributed rooms, including two bedrooms and two modern bathrooms. The floor is finished with elegant parquet and porcelain tiles, giving a touch of class and comfort to the environment. The apartment equipped with independent air conditioning and central heating with metering, also enjoys excellent exposure and a pleasant view of the park, offering light, privacy and tranquility throughout the day. In the aforementioned park, one can restore oneself by sitting on a bench, at the edge of the beautiful fountain, in the shade of the trees. The entrance on Via Emilio Gola, provides access to the private garage on the -1 floor. On foot, however, the property can be accessed through the park from 3 other reserved entrances. The property is also completed by a convenient cellar on the -2 floor. Do not miss this magnificent opportunity to make a great investment, given also the proximity to the main Milanese universities.
