A first impression

For sale apartment in a villa consisting of 3 residential units. Two on the ground floor and one on the second floor, belonging to the same property. The apartment for sale, is located on the ground floor and is 47 square meters. It consists of entrance hall on living room with kitchenette, one bedroom plus bathroom with shower, storage room and small basement. From the bedroom there is access to an enclosed courtyard (without external exit) and can be furnished with garden furniture. Instead, to access the entrance to the property is through a large courtyard where we find an electric gate (driveway) and 2 parking spaces. Bordering the same property, in addition to the apartment for sale, we find another two-room apartment, cadastrically separate from the property for sale of 32 square meters. There is a possibility to buy also this last property at the price of € 120,000.00. In the photos in the ad, there are two floor plans. The first property, object of sale is highlighted in yellow color, while the second property (for further purchase, which is of course optional) is highlighted in orange color and is named Annex "A".
