A first impression

On Via Gorizia, in the sought-after Sesto Marelli area, in a strategic location just a few minutes' walk from the MM1 (Red Line) stop of the same name, we offer for sale a studio apartment with separate kitchenette and balcony. This living solution, located on the second floor and served by an elevator, is in good condition. The apartment is characterized by an excellent distribution of space: the entrance opens onto a hallway that leads to the living/bedroom area, characterized by a main room with balcony overlooking the interior, which makes the solution very quiet and peaceful. In addition, the studio apartment includes a separate kitchenette, a windowed bathroom and a practical overhead storage room. This property is perfect both as a residence for young couples or singles, but above all represents an excellent high-yield investment opportunity. For any other information, please do not hesitate to contact us! It is really an opportunity!
