All about the location

This residential resort is two kilometers from Porto Cervo, in a hilly area called Pantogia. Rising in the magnificent setting of a natural park overlooking the Gulf of Pevero, the first Pevero Hill villas are ready to be visited. They are built around magnificent rocks and groves of fragrant Mediterranean scrub; they have the typical atmosphere of Sardinian house simplicity. To get there, take the turnoff for Pantogia in front of Hotel Le Ginestre, which is near the junction of the entrance to Porto Cervo. After just 50 meters turn immediately right and continue straight ahead to the top of the hill. When the buildings are all finished, children will find a huge park with endless possibilities for recreation, including paths, woods and rocks. With the two wonderful swimming pools nestled between the rocks and the captivating view of the sea, Pevero Hill will be an earthly paradise for young and old alike.
