A first impression

On offer is a high-quality new build in Esporles, in the middle of the Tramuntana and yet only a short distance from Palma. The fittings and quality of the finishes are of a high standard. Construction has begun and completion is scheduled for summer 2025. The elevated position on the approx. 600 m² plot offers wonderful views over the valley and the village. The bright and spacious living/dining area with the integrated kitchen opens onto the terrace with the adjoining pool. The partially covered terrace provides shade when needed. The two bedrooms on this level, each with its own bathroom, also have access to the terrace and all rooms have floor-to-ceiling windows, which provide sufficient light. Integrated built-in wardrobes offer plenty of storage space. Of course, there is also a guest WC and a utility room with a separate entrance. The upper floor houses the very spacious master bedroom with a separate dressing area, en-suite bathroom and its own terrace. In the basement area is the garage, with direct access, as well as further rooms. Features include underfloor heating and integrated air conditioning. Please contact us for further information.
