A first impression

This fantastic plot of approximately 15,000 square metres offers you the ultimate opportunity to create a stunning new home on the island. The project has already been approved and the relevant licence granted - so you can start building straight away! Choose between a conventional connection to the electricity and water grids or a more environmentally friendly option with solar panels and co. With a stunning 11 x 4 metre pool, a main house and two outbuildings (garage and pool house), the property has everything you need. The facilities and installations can be individually chosen. This fascinating project is the ideal place to enjoy island life to the full in this idyllic setting all year round. Let your creativity run wild and create a home that is a real highlight every day. Don't hesitate and contact us for more information about this fascinating project!
