A first impression

This villa is located in Sa Coma, about 15 minutes by car from Palma. It offers stunning views of the Tramuntana mountains and the bay of Palma and still needs to be finished. Most of the work has already been done and now the final design can take place, allowing the future owner to finish it according to their wishes. The villa has a living area of 338 m2 and includes an open plan living room with dining area and kitchen, 3 bedrooms, 2 bathrooms and several additional rooms such as a large and bright art studio. The basement is currently converted into a cosy flat with an open kitchen, a bedroom and access to the pool and the beautiful terrace with sea and mountain views. The property also has a garage and a roof terrace.
