A first impression

This well-maintained finca is located close to the town of Inca on the island of Majorca and thanks to the good connections all beaches and places on the island are very easy to reach. The property consists of several buildings, a pool and a tennis court. The main house has two bedrooms and a bathroom and forms the center of the ensemble with its beautiful covered terrace. In the guest house there are two studio flats, each with its own bathroom. Furthermore, there is a garage with space for a car, as well as another building, which is currently used as storage. All about the location

Inca, the third largest city in Mallorca, is located in the center of the island and is known for its rich history and vibrant cultural heritage. This town is famous for its leather and shoe production. The historic center of Inca is characterized by impressive buildings such as the church of Santa Maria la Major, which impresses with its Gothic architecture. Another highlight is the former Sant Domingo monastery, which now houses a cultural center and regularly hosts art exhibitions and concerts. A must is the weekly market, which takes place every Thursday and is one of the largest on the island. Here you will find a colorful variety of fresh produce, handicrafts and, of course, leather goods. Culinary-wise, Inca offers a variety of traditional restaurants, including the famous "Cellers", which are housed in old wine cellars and serve local specialties. Inca is also an ideal starting point for nature lovers. The nearby Tramuntana mountains are ideal for hiking and cycling, while the Santuari de Lluc, an important pilgrimage destination, is just a short drive away. Inca combines tradition, culture and nature in a unique way and is only approx. 30 km from Palma and is well connected by highway and train.
