#### A first impression

Fantastic townhouse of approx. 160 m², just a few meters from the center of Santa Maria del Camí. On the first floor there is a spacious living room with fireplace, a fully equipped kitchen with dining room and access to the terrace with porch, which invites you to linger all year round. On the second floor there are three bedrooms and a spacious and bright bathroom with shower. There is also a terrace and a small laundry room. In the other part of the house, separated by the terrace area with porch and small swimming pool, there is a garage for two cars and through an external staircase, we have access to an independent apartment with living area, dressing room (with the possibility of converting it into a kitchen) and a spacious bathroom. Wooden windows with double glazing (with autoclave treatment for 25 years) and Mallorcan shutters. Ideal for guests or visitors. The house preserves the Mallorcan style with wooden beams and natural stone walls. A very well maintained house.
