A first impression

Located in the hills of Son Vida, this plot offers breathtaking panoramic views over Palma de Mallorca and the Mediterranean Sea. The 2,001 m² plot is being sold as a project for a luxurious villa of 1,070 m², where ultra-modern design blends seamlessly with the natural surroundings. The planned residence is designed to offer both luxury and functionality. The master suite has an en-suite bathroom and private sauna. The heart of the home is the open plan kitchen and dining area, which flows effortlessly into a spacious living room. From this central area there is access to a large terrace from which residents can enjoy the sea views, whether from the pool, hot tub or lounge area. Other outstanding features of the planned villa include a wine cellar, an office with en-suite bathroom, a library, two double bedrooms with en-suite bathrooms and two further guest bathrooms. A special feature of the design is the harmonious combination of indoor and outdoor areas. The rooms open up to the outside and at the same time offer a feeling of privacy. Located in the prized Son Vida area, less than a 10-minute drive from the city center, this project is a first-class choice for anyone looking for a blend of luxury and functionality in Mallorca.
