All about the location

Santa María del Camí, a picturesque village in the heart of Mallorca with around 7,000 inhabitants, has developed into a highly sought-after location and combines traditional charm with modern comfort. The imposing parish church, with its striking bell tower, is an architectural jewel that reflects the history of the village. Another attraction is the wine, which is grown in Santa María and attracts many visitors. The weekly market is held on Sundays, with fresh produce, handmade goods and local specialities. The landscape, characterized by rolling hills and vineyards, is ideal for walks and bike rides and the nearby Tramuntana mountains can be explored. The central location of Santa María, just 20 km from Palma, makes it an attractive place to live for those who appreciate the tranquillity of village life and want to have the amenities of the city within easy reach. The airport and beaches are also within similar reach. There are high-quality restaurants and shopping facilities and, in addition to the renowned international school “The Montessori School”, there is also a public school.
